

# connemara

## Donor Benefits

Walk backwards in time at the Connemara Meadow. Surround yourself in peaceful solitude where modern sights and sounds can't be seen or heard. Meander through the trails where each visit presents you with a totally different experience. From the waving native grasses to the murmuring of Rowlett Creek, spending time in this extraordinary oasis will remind you of the joy felt when the wonder of nature envelopes you in its awe-inspiring grasp. Supporting Connemara enables you to help us save the land that we love in North Texas. It also gives piece of mind to know that you are preserving one of the most beautiful open spaces in our community: the Connemara Meadow Preserve in Allen, Texas.
